## Event Details

<b>Title of Event</b>	Embedding a data-first culture into Ofcom	<b>Course short ID:</b>	A Data-First Culture
<b>Date of Event</b>	13/11/2024		
<b>Aim of Course</b>	To describe the importance of fostering a positive data culture in an organisation; To highlight some of the potential benefits to colleagues and customers of greater data literacy and understanding within an organisation; To empower attendees thinking about positive data transformation in their own organisation.		
<b>Key skills</b>	Attendees will be equipped with knowledge associated with the components of a positive data culture, including concepts such as data literacy. Attendees will also be exposed to real-life initiatives they can adapt for use in their own organisation, such as data liaisons networks and development pathways.		
<b>Key outcomes</b>	Attendees will be equipped with the knowledge to begin to sketch out a strategy for embedding a data-first culture in their own organisations, based on the indicative examples demonstrated in this talk.		
<b>Conditions</b>			
<b>Additional information</b>			
<b>Assessed</b>	No		
<b>DeliveryType</b>	Webinar	In collaboration with <b>Ofcom</b>	
<b>Certificate ID</b>	132047DWRJ07

## Congratulations on Your Achievement!

*"In a world of constant change, let your lifelong learning leave enduring footprints."  
- Marta Kalas, Founder, Open CPD*

You've reached a significant milestone in your professional journey by completing this course. Remember, every course you complete builds not only your expertise but also your ability to adapt and thrive in an ever-changing world.

### What's Next?

- Share Your Success: Proudly display your certificate on LinkedIn, Facebook, or other social media to showcase your commitment to professional growth.
- Continue Your Journey: Explore further courses and opportunities. Continual learning is the key to ongoing success.
- Stay Connected: Join our community of continuous learners. Participate in forums and discussions to gain insights and share your experiences.

### How we secure your certification?

Your certificate is a testament to your dedication and hard work. Keep it in a safe place and refer to it as you progress in your career.

- Your certificate is tamper proof and secured by web3 technology
- Your certificate can be verified on [Verify the content of CPD certificates](#) by entering your certificate ID 132047DWRJ07
- Your training provider is proud of your achievement. Their details can also be verified 132047

### About Open CPD

We are one of the key steps that powers the change in lifelong learning. Training and event providers use our platform to create self-accreditation and create and share information rich certificates and badges. The responsibility for the content, its delivery, and the value it offers lies with the content creators themselves. We simply provide the tools and verification technology to make this process fast, transparent and cost-effective.
