## Event Details

<b>Event Title</b>	Data Career Pathways: Visual & Customer Insights	<b>Event short ID:</b>	Data Career Insights
<b>Date of Event</b>	24/11/2025	<b>Expiry date:</b>	No expiry
<b>Learning Aims</b>	Aims: The objective of the session is to highlight that many people come into careers in data through non linear paths. This is a continuation of an internal series that has looked a variety of careers in Data across Kingfisher, and to inspire others to consider a career in data irrespective of their background.		
<b>Key skills</b>	A deeper understanding of Customer Analytics and Data Visualisation		
<b>Outcomes</b>	This session should inspire others to consider data roles, irrespective of their background. The session highlights two of the many data careers at Kingfisher, and the different skills needed in each of these areas.		
<b>CPD Points/Hours</b>	1		
<b>Conditions</b>

- Your training provider is proud of your achievement. Their details can also be verified 132047

## About Open CPD

We are one of the key steps that powers the change in lifelong learning. Training and event providers use our platform to create self-accreditation, issue and share information rich certificates and badges. They are responsible for the content, delivery, and value of these certificates. Open CPD does not verify the content or delivery of any course or event certificate. Instead, we offer the necessary tools and verification technology to make this process quick, transparent, and cost-effective.

## Record Keeping

Want to keep a record of all of your CPD achievements in one place? We've partnered with [www.CPDMe.Com](http://www.CPDMe.Com), offering you a secure platform for your record-keeping. Just click the [link](#) to sign up.
