Event Details

Title	The Importance of Women Leadership in Web3
Date	28/04/2024
Aim of event	This 4-hour workshop will give women in the local community to connect with and learn from the award-winning founder of Women in Blockchain Talks, Lavinia. D Osbourne.
Key skills	Blockchain, Web3 and Leadership Excellence.
Key outcomes	Discover what Web3 is all about and why it's essential for women to jump in with enthusiasm to make a real impact in our world today. Join in discussions, ask questions, and meet new people. This day promises not just learning but also building valuable connections in a friendly and memorable atmosphere. Take a bold step towards your future by attending this event. It's not just about learning; it's about empowering yourself to embrace new opportunities and pave the way for positive change in your life and beyond. This workshop is CPD accredited, which means you will get CPD points for attending. These points can be added to your Linkedin profile.
