Event Details

Event Title	Intelligent Foundations	Event short ID:	AI Foundations
Date of Event	17/12/2025	Expiry date:	No expiry
Learning Aims	Target Audience: Anyone interested in AI, or experts looking at how we use platforms to scale out AI usage across organisations Aims- 1. The impact of AI and how it will affect organisations 2. Understand AI use cases and how these can be scaled out for impact 3. How we can set the foundations for AI readiness using value-driven use cases. 4. How we can bring together data and applications to unlock the full potential of AI.		
Key skills	• Integrating AI models into data platforms • Implementing use case–driven AI frameworks • Building data foundations for ML and automation		
Outcomes	Having completed this session, attendees will be able to 1. Understand how the foundations can be set to enable the implementation of AI. 2. Understand how this framework can be applied to different sectors 3. Learn about different AI Agent Categories 4. Prompt participants to think about how AI use cases can be implemented in their own organisations		
CPD Points/Hours	1

Score

Congratulations on Your Achievement!

*"In a world of constant change, let your lifelong learning leave enduring footprints."
- Marta Kalas, Founder, Open CPD*

You've reached a significant milestone in your professional journey by completing this course. Remember, every course you complete builds not only your expertise but also your ability to adapt and thrive in an ever-changing world.

What's Next?

- Share Your Success: Proudly display your certificate on LinkedIn, Facebook, or other social media to showcase your commitment to professional growth.
- Continue Your Journey: Explore further courses and opportunities. Continual learning is the key to ongoing success.
- Stay Connected: Join our community of continuous learners. Participate in forums and discussions to gain insights and share your experiences.

How we secure your certification?

Your certificate is a testament to your dedication and hard work. Keep it in a safe place and refer to it as you progress in your career.

- Your certificate is tamper proof and secured by web3 technology
- Your certificate can be verified on [Verify the content of CPD certificates](#) by entering your certificate ID 132047RR87SB
- Your training provider is proud of your achievement. Their details can also be verified 132047

About Open CPD

We are one of the key steps that powers the change in lifelong learning. Training and event providers use our platform to create self-accreditation, issue and share information rich certificates and badges. They are responsible for the content, delivery, and value of these certificates. Open CPD does not verify the content or delivery of any course or event certificate. Instead, we offer the necessary tools and verification technology to make this process quick, transparent, and cost-effective.

Record Keeping

Want to keep a record of all of your CPD achievements in one place? We've partnered with www.CPDMe.Com, offering you a secure platform for your record-keeping. Just click the [link](#) to sign up.
