Event Details

Event Title	Agentic AI For Real	Event short ID:	Agentic AI For Real
Date of Event	16/07/2025	Expiry date:	No expiry
Learning Aims	This lunch & learn explores the rise of Agentic AI — what it is and how it differs from traditional AI. You'll gain insight into practical applications, governance considerations, and how to prepare for this new wave of intelligent automation.		
Key skills	Agentic AI, Data & AI, AI Governance		
Outcomes	"The age of agentic AI has arrived. Spanning the virtual and physical realms, we stand at a pivotal moment where human ingenuity will be amplified by intelligent machines." Forbes, 2024 If you believe the hype, this is everything that was promised by leading AI firms at the start of the AI boom. But are you and your organisation prepared to seize this opportunity? Do you know the difference between Agents and Agentic? And how do we approach governance for autonomous AI?		
CPD Points/Hours	1

Score

Congratulations on Your Achievement!

*"In a world of constant change, let your lifelong learning leave enduring footprints."
- Marta Kalas, Founder, Open CPD*

You've reached a significant milestone in your professional journey by completing this course. Remember, every course you complete builds not only your expertise but also your ability to adapt and thrive in an ever-changing world.

What's Next?

- Share Your Success: Proudly display your certificate on LinkedIn, Facebook, or other social media to showcase your commitment to professional growth.
- Continue Your Journey: Explore further courses and opportunities. Continual learning is the key to ongoing success.
- Stay Connected: Join our community of continuous learners. Participate in forums and discussions to gain insights and share your experiences.

How we secure your certification?

Your certificate is a testament to your dedication and hard work. Keep it in a safe place and refer to it as you progress in your career.

- Your certificate is tamper proof and secured by web3 technology
- Your certificate can be verified on [Verify the content of CPD certificates](#) by entering your certificate ID 13204776LWVD
- Your training provider is proud of your achievement. Their details can also be verified 132047

About Open CPD

We are one of the key steps that powers the change in lifelong learning. Training and event providers use our platform to create self-accreditation, issue and share information rich certificates and badges. They are responsible for the content, delivery, and value of these certificates. Open CPD does not verify the content or delivery of any course or event certificate. Instead, we offer the necessary tools and verification technology to make this process quick, transparent, and cost-effective.

Record Keeping

Want to keep a record of all of your CPD achievements in one place? We've partnered with www.CPDMe.Com, offering you a secure platform for your record-keeping. Just click the [link](#) to sign up.
