Course or Event Overview

This page provides the key verified details recorded for this accredited course or other CPD activity.

Title	**Strategic level: Operational Excellence Education**		
Course name on badge	Strategic OpEx	**CPD Hours or points awarded**	16
Training or Completion date	11/09/2026	**Expiry date (if applicable)**	No expiry
Delivery type	Accreditation	**Assessed**	No

Aims

Develop the knowledge and skills required to design, implement, and oversee a portfolio of Operational Excellence (OpEx) initiatives across a group of schools or trust, applying strategic programme management tools and techniques to drive process improvement, efficiency, and organisational performance.

Skills

The Strategic level training focused on the following modules:
12. Building an OpEx strategy
13. Developing a programme
14. Programme management
15. Stakeholder management
16. Stakeholder engagement
17. Influencing skills

Outcomes

As a result of Strategic accreditation, the individual can:
• Strategically lead on Operational Excellence principles and improvement processes across a group of schools or trusts (or more widely if an approved consultant).
• Develop and lead others (including strategic leaders) in OpEx activities across a group of schools or trusts.

Certificate Verification

How we secure your certification?

This certificate has been issued through the Open CPD platform and includes verification features designed to support authenticity, traceability, and trust.

➨ The issuing provider's details are included in the certificate record and can also be checked through the Open CPD system.

➨ Certificate verification is quick and easy through the Open CPD verification system, with no login required.

➨ The certificate record is tamper-proof and secured using Web3 technology.

Membership and Provider Commitments

Providers using Open CPD are required to sign a declaration confirming that they are the legitimate provider of the training, that the information submitted is accurate and not misleading, and that any CPD hours or points fairly reflect the learning activity delivered. Open CPD members also operate under the Open CPD Charter, which sets out shared principles for responsible recognition of learning, including clarity, transparency, ethical representation, and responsible use of verification tools.

About Open CPD

Open CPD provides the framework and technology used by training and event providers to create, issue, and verify certificates and digital badges. Open CPD does not deliver the training itself. Responsibility for the learning content, delivery, assessment, and learner outcomes remains with the issuing provider.
