Event Details

Event Title	Introduction to Data Lakehouse	Event short ID:	Data Lakehouses
Date of Event	30/07/2025	Expiry date:	No expiry
Learning Aims	Databricks is the data and AI company. Today, more than 10,000 organizations worldwide — including Block, Comcast, Condé Nast, Rivian, Shell and over 60% of the Fortune 500 — rely on the Databricks Data Intelligence Platform to take control of their data and put it to work with AI. This is a technical session to teach you the fundamentals of keeping your data open and accessible for an abundance of big data uses.		
Key skills	Big data, Data Architecture, Open Source, Delta, Apache Iceberg, Data Storage, Data Processing, Data Warehousing, Data Lakes, Data Lakehouse		
Outcomes	Key takeaways: - What makes a lakehouse a lakehouse? - What can it actually do? - How can you get started?

Your certificate is a testament to your dedication and hard work. Keep it in a safe place and refer to it as you progress in your career.

- Your certificate is tamper proof and secured by web3 technology
- Your certificate can be verified on [Verify the content of CPD certificates](#) by entering your certificate ID 1320476VORS6
- Your training provider is proud of your achievement. Their details can also be verified 132047

About Open CPD

We are one of the key steps that powers the change in lifelong learning. Training and event providers use our platform to create self-accreditation, issue and share information rich certificates and badges. They are responsible for the content, delivery, and value of these certificates. Open CPD does not verify the content or delivery of any course or event certificate. Instead, we offer the necessary tools and verification technology to make this process quick, transparent, and cost-effective.

Record Keeping

Want to keep a record of all of your CPD achievements in one place? We've partnered with www.CPDMe.Com, offering you a secure platform for your record-keeping. Just click the [link](#) to sign up.
