About Open CPD

We are one of the key steps that powers the change in lifelong learning. Training and event providers use our platform to create self-accreditation, issue and share information rich certificates and badges. They are responsible for the content, delivery, and value of these certificates. Open CPD does not verify the content or delivery of any course or event certificate. Instead, we offer the necessary tools and verification technology to make this process quick, transparent, and cost-effective.

Record Keeping

Want to keep a record of all of your CPD achievements in one place? We've partnered with www.CPDMe.Com, offering you a secure platform for your record-keeping. Just click the [link](#) to sign up.
