Event Details

Event Title	Navigating Data Fluency at the LEGO Group	Event short ID:	Data Fluency Intro
Date of Event	25/06/2025	Expiry date:	No expiry
Learning Aims	The objective of the session is to describe the significance of Data Fluency and its relevance across various sectors, empower attendees to take proactive steps in enhancing their own skills and advocating for data fluency within their organizations and inspire attendees to foster a culture of data fluency based on our journey and learnings.		
Key skills	1. Data Fluency Understanding: Knowledge in what this framework means, its value and how to use it practically. 2. Collaboration: Inspiration on how to work with cross-functional teams to promote data fluency. 3. Advocacy: Techniques for promoting the importance of Data Fluency within an organization. 4. Problem-Solving: Ideas to identify data-related challenges and devise solutions. 5. Strategy: How to set initiatives that promote a culture of data fluency within teams and organizations.		
Outcomes	Having completed this session, you will be equipped with the skills and knowledge to understand the key principles of Data Fluency and its importance in today's data-driven world, apply best practices and lessons learned from the LEGO Group's journey to advocate for the value of data fluency across various teams and departments, and leverage insights from industry trends to inform your approach to Data Fluency.

Congratulations on Your Achievement!

*"In a world of constant change, let your lifelong learning leave enduring footprints."
- Marta Kalas, Founder, Open CPD*

You've reached a significant milestone in your professional journey by completing this course. Remember, every course you complete builds not only your expertise but also your ability to adapt and thrive in an ever-changing world.

What's Next?

- Share Your Success: Proudly display your certificate on LinkedIn, Facebook, or other social media to showcase your commitment to professional growth.
- Continue Your Journey: Explore further courses and opportunities. Continual learning is the key to ongoing success.
- Stay Connected: Join our community of continuous learners. Participate in forums and discussions to gain insights and share your experiences.

How we secure your certification?

Your certificate is a testament to your dedication and hard work. Keep it in a safe place and refer to it as you progress in your career.

- Your certificate is tamper proof and secured by web3 technology
- Your certificate can be verified on [Verify the content of CPD certificates](#) by entering your certificate ID 1320474AF9T0
- Your training provider is proud of your achievement. Their details can also be verified 132047

About Open CPD

We are one of the key steps that powers the change in lifelong learning. Training and event providers use our platform to create self-accreditation, issue and share information rich certificates and badges. They are responsible for the content, delivery, and value of these certificates. Open CPD does not verify the content or delivery of any course or event certificate. Instead, we offer the necessary tools and verification technology to make this process quick, transparent, and cost-effective.

Record Keeping

Want to keep a record of all of your CPD achievements in one place? We've partnered with www.CPDMe.Com, offering you a secure platform for your record-keeping. Just click the [link](#) to sign up.
